FRANK N. DARRAS RECOGNIZED BY LAWDRAGON AS ONE OF THE TOP LITIGATORS IN THE COUNTRY

Darras Among The 500 Best And Brightest Of The Legal Profession

Ontario, Calif., - March 28, 2006 - Frank N. Darras, managing partner of the Ontario, CA firm, Shernoff, Bidart and Darras, LLP, has been recognized by Lawdragon as one of the 500 leading litigators in America.

This year, the editorial staff at Lawdragon conducted an extensive search to select the top litigators in the country for the prestigious Lawdragon 500. Their search includes phoning thousands of legal professionals to solicit opinions about the best lawyers in America and conducting an online ballot where votes were collected to produce the final results. Less than .01 percent of all lawyers in the U.S., which totals 1.1 million, were named members of the Law Dragon 500.

For nearly 20 years, Frank N. Darras has been recognized for taking on insurance industry giants on behalf of the disabled. He looks out for those disadvantaged and often displaced by insurance company wrong-doing. Darras regularly achieves \$10M rainmaker status, is listed in Best Lawyers in America and recognized with Super Lawyer status by Los Angeles Magazine and the Los Angeles Daily Journal. He is AV rated and has been voted one of America's most outstanding lawyers and rainmakers, annually earning \$10M in legal fees while returning \$40M a year to the disabled.

Darras is a frequent national keynote speaker and the upcoming commencement speaker at Western State University, College of Law in Fullerton, CA in May 2006. He is nationally known and respected for his contributions to CBS' 60 Minutes, NBC's Dateline, Wall Street Journal, New York Times, Best Review, National Underwriter and Lawyers Weekly. He has been profiled in the Los Angeles Daily Journal, is often quoted, widely published and recognized as the nation's number one expert on disability and long-term care insurance concerns.

Frank Darras has nurtured and grown his national disability and long-term care insurance practice into the largest in America, and reviews over 1000 new cases a month. He reaches out to the disabled and empowers them, restores their hope and gets them the benefits they richly deserve.
